CS 192 AY 2014-2015
Lessons Learned Report

Prepared by: Kenneth T. Otsuka

Date: March 13, 2015

Project Name: TimePies

Client: Pink PlastiCS

Sprint Number: 3.0

1. What were the main lessons your team learned in this sprint?

   It's nice to have friends.

2. Describe one example of what went right in this sprint.

   We polish the click event listeners.

3. Describe one example of what went wrong in this sprint.

   Dependencies are always mismatched and we don't really know why.

4. What will you do differently on the next sprint based on your experience working on this current sprint?

   Have time to relax. Doing work while stressed and tired is just a waste of time and can affect the working environment of the team.
